NEW CineMagic Venue and Performance Dates!

April 26-28 at Oxnard College Theatre

This year's exciting, widely-anticipated CineMagic performances, originally scheduled for April 20-21, 2012 at the Oceanview Pavilion in Port Hueneme, will now take place the following week, April 26-28, 2012, at the New state-of-the-art Oxnard College Theatre in Oxnard. In a move made by the Pleasant Valley Education Foundation (PVEF) board of directors, the change of dates and venue for CineMagic is to provide our esteemed directors, child performers, production crew, volunteers, and family members with a more professional and sophisticated theatrical production environment featuring cutting-edge acoustics, lighting, and special effects capabilities, with free, ample parking for attendees. The PVEF board has also added a fourth performance. The schedule will include a Thursday evening performance, in addition to the

already scheduled Friday evening performance, Saturday matinee performance and Saturday evening performance. This means CineMagic participants will have yet another opportunity to showcase their singing and dancing talents for their families and friends.

PVEF sincerely apologizes in advance for any inconvenience this change in venue and dates may cause our performers and their families. If a CineMagic participant is unable to perform on the new dates because of prior commitments, his/her parents are asked to contact CineMagic Chairwoman, Sharlene Jewell.

Once again, we sincerely appreciate your support of CineMagic, and we look forward to seeing you at this year's performances!

SPOTLIGHT ON...

Carl Sloan & Nicholas Semaan

10 year olds Carl Sloan attending Dos Caminos and Nicholas Semaan attending Cape are part of the 8 CAO Math Finalists competing Thursday, February 23rd. Both boys are in their 5th year with CineMagic. Carl's father believes that not only does he enjoy performing on stage, but the program has given Carl extra confidence when speaking in front of others. Carl has expressed an interest in theater and would like to be a choreographer someday. He is also a part of his school's super quiz team. Nicholas also likes being on stage and performing and looks forward every year to being in the show with his brother Michael. They juggle rehearsals with sports instead of choosing just one. Good Luck CineMagicians!

Know your Staff - Kathy Sheehan

This is Kathy's second year with CineMagic. Both her son and daughter loved it last year and were eager to join again. Kathy volunteered last year as Song Captain, Costume Committee and theater week and helped with a lot of other events. This year she is adding Costume Co-Chair to her list of duties.

She says, "It is a great experience being a part of this committee and seeing the costumes put together with the help of a wonderful volunteer staff". Kathy's help, like every volunteer here, is invaluable. Thank you to Kathy and every volunteer sharing their time and skills.

We Need your HELP!!
